

NATBONY DECLARATION
EXHIBIT 11

LOAN AGREEMENT

This **LOAN AGREEMENT**, dated as of August 27, 2010 by and between the **PUERTO RICO HIGHWAY AND TRANSPORTATION AUTHORITY** (the "Authority" or the "Borrower") and **GOVERNMENT DEVELOPMENT BANK FOR PUERTO RICO** (the "Bank" or the "Lender"),

WITNESSETH

WHEREAS, the Authority is in need of obtaining an emergency financing to pay collateral posting requirement on fixed payer swaps associated to its Floating Rate Notes (FRNs), Series N;

WHEREAS, on February 15, 2007 the Authority issued Series N consisting of \$389,060,000 in FRNs, subject to an interest rate of 67% of three month LIBOR plus 0.53%, and maturing in 2041 and 2045 (the "Authority FRNs"). As of today, the market value of the Authority FRNs is significantly below par due to the historically low levels of LIBOR and lack of liquidity in this particular product;

WHEREAS, on August 25, 2010 the Authority received a collateral posting requirement from Citibank, the Counterparty, demanding the amount of \$21,495,904 due on August 30, 2010;

WHEREAS, as a result of the above mentioned the Authority has requested that the Bank provide such financing on an interim basis to cover any collateral posting requirement on the fixed payer swaps associated to the Authority FRNs and costs related to the financing;

WHEREAS, the Authority intends to repay this interim financing with the proceeds of a future bond issuance of the Authority, or any other available resources of the Authority;

WHEREAS, the Bank is willing to provide such financing, but in an amount not to exceed \$45,000,000 in accordance with the terms and conditions herein below set forth, which the Bank understands will be enough to cover the immediate and urgent need of funds of the Authority;

WHEREAS, the Borrower and the Lender intend that this Loan Agreement and the Loan be subject to the terms of the Fiscal Oversight Agreement, dated as of July 6, 2009, as may be amended from time to time, between the Lender and the Borrower (the "Fiscal Oversight Agreement");

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Subject to the terms and conditions contained herein, the Lender hereby agrees to make non-revolving advances to the Borrower (each, an "Advance") under a non-revolving line of credit in an aggregate principal amount not to exceed **FORTY FIVE MILLION**

DOLLARS (\$45,000,000) (the "Loan") for the sole purpose of paying collateral posting requirements on the fixed payer swaps associated to the Authority FRNs and to cover costs related to this financing.

2. The Loan shall be evidenced by a Promissory Note in an aggregate principal amount of not to exceed **FORTY FIVE MILLION DOLLARS (\$45,000,000)**. The Promissory Note shall be substantially in the form attached hereto as Exhibit A, subscribed on this same date by the Borrower and payable to the order of the Lender. Each borrowing made by the Borrower under Section 1 above (a "Borrowing") shall reduce the amount of the Loan by the principal amount of such Borrowing.
3. Unless otherwise agreed to by the Lender, the Borrower may request an Advance in writing by not later than 11:00 a.m. (Puerto Rico time) at least three (3) Banking Days prior to the date of the proposed Advance by an authorized representative of the Borrower. The Lender shall fund the requested Advance on the date requested in such notice (which must be a Banking Day) and indicate under which Note the Advance is been funded. Each request for an Advance given by the Borrower to the Lender shall be in the form attached hereto as Exhibit B. A request for an Advance from the Borrower, once received by the Lender, shall be irrevocable and binding on the Borrower. For the purposes of this Loan Agreement, "Banking Day" means any day on which commercial banks are open for business in San Juan, Puerto Rico.
4. The principal amount of the Loan shall mature and be due and payable on August 27, 2011. or upon the termination of the swap agreement. Said principal amount shall be payable solely from proceeds of bonds to be issued by the Authority pursuant to the provisions of the respective sections of the Resolutions; or from any available resources of the Authority. Each Advance shall bear interest daily from the date of disbursement until paid in full at a fluctuating annual rate of interest equal to one and one half percent (1.5%) over and above the Prime Rate, as determined from time to time in good faith by the Lender, or, upon written notice to the Borrower, at a variable rate of interest, which interest rate may be revised quarterly, per annum equal to the Lender's cost of funding for variable rate loan transactions or the cost of any other obligations or source of funds used to fund the Advance. For purposes of the preceding sentence, the cost of funding shall mean the applicable cost of any source of funds used to fund the Loan, plus in either case, a required margin cost. Initially, this required margin cost will be equal to 150 basis points. The required margin cost may be revised from time to time by the Lender to such an extent that when added to the applicable cost of funds, the interest rate so determined and applicable to an Advance will provide for a total coverage of what the Lender determines to be its "all-inclusive" funding costs. For purposes of this Loan Agreement, the applicable interest rate shall not exceed twelve (12) percent and shall not be less than six (6) percent.

Anything hereunder to the contrary notwithstanding, and without prejudice to any remedies of the Lender provided hereunder or at law or in equity, the interest rate applicable to the outstanding principal amount of each Advance during any period when an Event of Default shall have occurred and be continuing shall be four percent (4.0%) over the otherwise applicable interest rate (the "Default Rate").

Interest shall be payable monthly in arrears not later than the tenth Banking Day following receipt from the Bank of the statement referred to in the next sentence of this paragraph, from any available moneys of the Authority. Each month the Bank shall furnish to the Authority a written statement showing the amount of interest due and payable by the Authority on all outstanding Advances for the preceding month. The Loan shall be junior and subordinate to outstanding bonds of the Authority and shall be subject to certain other terms and conditions, as set forth in this Loan Agreement. Payment of principal and interest on the Loan shall be made in any coin or currency of the United States of America, which at the time of payment shall be legal tender for the payment of public and private debts.

5. The Borrower will pay a fee equal to .25% of the principal amount of the Loan on or prior the closing date.
6. If there is no disbursement activity on this Loan for a period of six months after its approval by the Board of Director of the Bank, the loan shall be cancelled automatically.
7. If the Borrower (i) issues and sells bonds, notes or other evidences of indebtedness; or (ii) enters into a concession agreement or other form of public-private partnership with respect to any of its assets pursuant to the provisions of Act 29 of June 8, 2009, the Public Private Partnerships Act; in each case in one or more transactions yielding aggregate net proceeds in an amount equal to or greater than the amount of then outstanding Advances, the Borrower shall on the day of such sale (or if a series of sales, on the day of each such sale), prepay all then outstanding advances; provided, however, that no prepayment shall be required in connection with the refunding of indebtedness existing on the date hereof and set forth in Schedule 9 and extensions, renewals or replacement of such indebtedness that do not increase the outstanding principal amount thereof.

The Borrower shall use reasonable commercial efforts to issue and sell bonds, notes or other evidences of Indebtedness in one or more transactions yielding aggregate net proceeds sufficient to require the Borrower to prepay the outstanding principal amount of Loan as set forth above, as soon as practical but no later than the Maturity Date without the Lender's consent.

8. The Borrower shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, without penalty or premium, subject to prior notice in accordance with the next sentence. The Borrower shall notify the Lender by telephone (confirmed by fax) of any prepayment hereunder not later than 11:00 a.m., Puerto Rico time, five (5) Business Days before the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid. Each prepayment of a Borrowing shall be made to the Lender and applied ratably to the Advances included in the prepaid Borrowing. Prepayments shall be applied first to interest due and payable if any, and then to principal of the Loan.
9. This Loan Agreement and the Loan are subject to the terms of the Fiscal Oversight Agreement. The Lender and the Borrower agree to execute any required amendments to the Fiscal Oversight Agreement to evidence their agreement. The Borrower shall from time to

time, upon request by the Lender, promptly provide the Lender with such information as to its finances and operations as the Lender shall reasonably request pursuant to the terms of the Fiscal Oversight Agreement.

10. No amendment or waiver of any provisions of this Agreement or consent to any departure by the Borrower herefrom shall be effective unless the same shall be in writing and signed by the Lender and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.
11. The representations and warranties made by the Borrower to the Lender under that certain Credit Agreement, dated as of July 6, 2009 (the "Credit Agreement"), by and between the Borrower and the Lender, as lender and administrative agent are hereby incorporated into this Loan Agreement as made on the date hereof.
12. If any of the following events ("Events of Default") shall occur:
 - (a) the Borrower shall fail to pay any principal of any Advance or any interest on any Advance when and as the same shall become due and payable, whether at the due date thereof or otherwise;
 - (b) the Borrower shall fail to pay any fee or any other amount (other than an amount referred to in clause (a) of this Article) payable under this Loan Agreement when and as the same shall become due and payable, and such failure shall continue unremedied for a period of three (3) Business Days;
 - (c) the Borrower shall become unable, admit in writing its inability or fail generally to pay its debts as they become due;
 - (d) the Borrower shall have defaulted in its obligations under the Fiscal Oversight Agreement, but only for so long as the Bank continues to be a lender hereunder; or
 - (e) the occurrence of an event of default under the Credit Agreement, the Indenture or any Bond Resolution (as defined in the Credit Agreement); or any other financing provided by the Lender

then, and in every such event, and at any time thereafter during the continuance of such event, the Lender shall, by notice to the Borrower, take either or both of the following actions, at the same or different times: (i) terminate the Loan immediately, and (ii) declare the Advances then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable) and thereupon the principal of the Advances and other amounts so declared to be due and payable, together with accrued interest thereon and all fees and other obligations of the Borrower accrued hereunder, shall become due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower.

In case of recourse to the courts by the Lender in order to collect the whole or any portion of the principal or interest due, the Borrower agrees to pay a liquidated sum equal to 10% of the amount of the Loan to cover expenses of such proceedings, court costs, disbursements and attorney's fees, which amount will become immediately due and payable upon the filing of such judicial proceedings.

13. The Borrower waives the requirements of demand, presentment, protest, notice of dishonor, and, in general, any other legal formality.

14. Any notices which may be given to either party hereunder shall be in writing, and if addressed to the Lender, sent to the offices of the Lender located at Roberto Sánchez Vilella Government Center, de Diego Avenue, San Juan, Puerto Rico, 00940, Attention: Executive Vice President of Financing and Treasury, or to such other address or person as the Lender may hereafter notify the Borrower in writing, and if addressed to the Borrower, sent to the address of the Borrower: Puerto Rico Highway and Transportation Authority, Roberto Sánchez Vilella Government Center, de Diego Avenue, San Juan, Puerto Rico, 00940, Attention: Executive Director, or such other address or person as the Borrower may hereafter notify the Lender in writing. Any such notice, if delivered personally or by facsimile transmission, shall be effective on the date when given, and if sent by mail, shall be effective three (3) Banking Days after posting.

15. This Loan Agreement, together with the Note, the authorizing resolutions and the other documents delivered by the parties in connection with the closing of the Loan, expresses the entire agreement of the parties with respect to the transactions contemplated hereby.

16. This Loan Agreement shall be binding upon and inure to the benefit of the Borrower and the Lender and their respective successors and assigns. The Lender may assign to any other financial institution all or any part of, or any interest in, the Lender's right hereunder and in the Advances, and to the extent of such assignment, such assignee shall have the same rights against the Borrower hereunder as does the Lender. The Borrower may not assign any of its rights nor delegate any of its obligations hereunder without the Lender's prior written consent. This Loan Agreement shall be governed by, and the rights and obligations of the parties hereunder shall be construed in accordance with, the laws of the Commonwealth of Puerto Rico.

FIRST AMENDMENT TO LOAN AGREEMENT

This FIRST AMENDMENT TO LOAN AGREEMENT, dated August 25th, 2011 by and between the PUERTO RICO HIGHWAY AND TRANSPORTATION AUTHORITY (the "Authority" or the "Borrower") and the GOVERNMENT DEVELOPMENT BANK FOR PUERTO RICO (the "Bank" or the "Lender").

WITNESSETH

WHEREAS, on August 27, 2010 the Authority and the Bank executed a Loan Agreement (the "Loan Agreement"), and corresponding promissory note, for the principal non revolving amount of **FORTY FIVE MILLION DOLLARS (\$45,000,000)** (the "Loan"), for the purpose of obtaining an emergency financing to pay collateral posting requirement on fixed payer swaps associated to its Floating Rate Notes (FRNs), Series N issued on February 15, 2007;

WHEREAS, the Authority has requested an amendment to the Loan Agreement to increase the amount of the Loan to cover: (a) payment of additional collateral as a result of continuous volatility in the market; (b) interests on the Loan until its maturity; and, (c) the financial services fee payable to the Lender. Also, the Authority has requested the extension of the maturity date of the Loan;

WHEREAS, pursuant to Resolution 9520, adopted by the Board of Directors of the Bank on June 15, 2011, and Resolution 9589, adopted by the Board of Directors of the Bank on August 17, 2011, the Bank has authorized the increase of the Loan by the sum of \$32,011,799.88, for a total amount not to exceed \$77,011,799.88, and the extension of the maturity date, subject to certain terms and conditions;

WHEREAS, pursuant to Resolution 2011-49 and Resolution 2011-50, both issued by the Secretary of the Puerto Rico Department of Transportation and Public Works on August 25, 2011, the Authority has been authorized to agree to the increase in the amount of the Loan and the extension of the maturity date of the Loan, and accept all other terms and conditions required by the Bank;

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. The Sections 1 and 2 of the Loan Agreement are amended to read as follows:

"1. Subject to the terms and conditions contained herein, the Lender hereby agrees to make non-revolving advances to the Borrower (each, an "Advance") under a non-revolving line of credit in an aggregate principal amount not to exceed **SEVENTY SEVEN MILLIONS ELEVEN THOUSAND SEVEN HUNDRED NINETY NINE DOLLARS AND EIGHTY EIGHT CENTS (\$77,011,799.88)** (the "Loan") for the sole purpose of paying collateral posting

requirements on the fixed payer swaps associated to the Authority FRNs and to cover costs related to this financing, included the payment of accrued interests on the Loan until its maturity date.

2. The Loan shall be evidenced by a Promissory Note in an aggregate principal amount of not to exceed **SEVENTY SEVEN MILLIONS ELEVEN THOUSAND SEVEN HUNDRED NINETY NINE DOLLARS AND EIGHTY EIGHT CENTS (\$77,011,799.88)**. The Promissory Note shall be subscribed on this same date by the Borrower and payable to the order of the Lender. Each borrowing made by the Borrower under Section 1 above (a "Borrowing") shall reduce the amount of the Loan by the principal amount of such Borrowing."
2. Section 4 is amended in the following manner:

"4. The principal amount of the Loan shall mature and be due and payable on January 31, 2013 or upon the termination of the swap agreement, whichever occur first. Said principal amount shall be payable solely from proceeds of bonds to be issued by the Authority pursuant to the provisions of the respective sections of the Resolutions; or from any available resources of the Authority. Each Advance shall bear interest daily from the date of disbursement until paid in full at a fluctuating annual rate of interest equal to one and one half percent (1.5%) over and above the Prime Rate, as determined from time to time in good faith by the Lender, or, upon written notice to the Borrower, at a variable rate of interest, which interest rate may be revised quarterly, per annum equal to the Lender's cost of funding for variable rate loan transactions or the cost of any other obligations or source of funds used to fund the Advance. In view of the preceding sentence, the cost of funding shall mean the applicable cost of any source of funds used to fund the Loan, plus in either case, a required margin cost. Initially, this required margin cost will be equal to 150 basis points or 1.5%. The required margin cost may be revised from time to time by the Lender to such an extent that when added to the applicable cost of funds, the interest rate so determined and applicable to an Advance will provide for a total coverage of what the Lender determines to be its "all-inclusive" funding costs. For purposes of this Loan Agreement, the applicable interest rate shall not exceed twelve (12) percent and shall not be less than six (6) percent.

Anything hereunder to the contrary notwithstanding, and without prejudice to any remedies of the Lender provided hereunder or at law or in equity, the interest rate applicable to the outstanding principal amount of each Advance during any period when an Event of Default shall have occurred and be continuing shall be two percent (2.0%) over the otherwise applicable interest rate (the "Default Rate").

[Handwritten signature]

Interest shall be due and payable on maturity date, as above mentioned. Each month the Bank shall furnish to the Authority a written statement showing the amount of the accrued interest due and payable by the Authority on all outstanding Advances for the preceding month. The Loan shall be junior and subordinate to outstanding bonds of the Authority and shall be subject to certain other terms and conditions, as set forth in this Loan Agreement. Payment of principal and interest on the Loan shall be made in any coin or currency of the United States of America, which at the time of payment shall be legal tender for the payment of public and private debts."

3. If Borrower does not pay the principal amount of the Loan when it becomes due and payable, or does not pay interest when due, Lender may, at its sole option, without notice to Borrower and to the fullest extent allowed by law, set off and apply any other available moneys (including deposits of any kind) of the Borrower against any such unpaid principal amount or unpaid accrued interest.
4. Prior to any disbursement from the Loan, Borrower will provide Lender a duly executed Notice of Drawing, as established in Section 3 of the Loan Agreement, and made part of this Agreement as Exhibit A. This Exhibit A substitutes the form to request Advances attached as Exhibit B of Loan Agreement.

Borrower also agrees to provide any additional information, including copy of invoices, among other documents, as shall be required by Lender in order to process the disbursement or Advance.

5. To effect the foregoing amendment to the Loan Agreement, a First Allonge to Promissory Note is executed by the Authority, on this same date.
6. The Authority agrees to pay the Lender an amount equal to \$19,005.08 as financial services fee in connection with this First Amendment to Loan Agreement, with a portion of the proceeds of the Loan.
7. All other terms and conditions of the Loan Agreement shall remain in full force and effect. The parties agree that this First Amendment to Loan Agreement does not constitute a novation of the obligations set forth in the Loan Agreement, and its related Promissory Note, and that all provisions not inconsistent with this First Amendment to Loan Agreement, and Promissory Note shall remain unchanged, binding and in full force and effect.
8. In the event that any provision of this First Amendment to Loan Agreement shall be held to be invalid in any circumstance, such invalidity shall not affect any other provisions or circumstances.
